GOD'S PROVISION

Securing the Redeemed Home will offer a much deeper level of commitment, consistency, relationship for each woman to build a strong foundation to begin again!

Her Restoration

Dear Friend,

We began to see major growth and opportunities opened up by God in 2022! Now- as we have secured and will soon open the Redeemed Home, your impact will have continuous effects on women's lives year after year!! Together with our wonderful volunteers, sponsors, generous supporters, and prayer warriors- we continue to partner with God to help redeem & restore women's lives!

THANK YOU to each financial partner that gave to help grow our donations to almost double the amount as last year! We have over a years worth of operational funds ready to open the doors of the Redeemed Home.

THANK YOU to each volunteer; that helped spread the word about RRC (we had many new supporters), served at an event (growth to engage more support), did administrative work or special projects (kept the business side taken care of), board members (make decisions and lead), advocate team(supported each survivor), Vintage Pearls team (continued to bring light into darkness), and prayer warriors (kept us leaning on and seeing Jesus provision)!

Because of your partnership we were able to connect, listen, pray, meet, and offer support to many women who contacted us (even outside Wisconsin), support outreach to strip clubs, get two women into a restoration home, educate students and adults throughout WI, and see God continue to redeem more pieces of brokenness in women survivors that we have continued to support.

THANK YOU for the ways you have impacted our community and women's lives! Together, we have the privilege to continue to love, restore, and support women who have survived the traumas of sex abuse and exploitation, and redemption through Jesus!
