

2021 ANNUAL REPORT

May we live our lives worthy of the Lord and please Him in every way: bearing fruit in every good work, growing in the knowledge of God, being strengthened with all power according to His glorious might so that we may have great endurance and patience, and giving joyful thanks to the Father, who has qualified us to share in the inheritance of His holy people in the kingdom of light.

For He has rescued us from the dominion of darkness and brought us into the kingdom of the Son He loves, in whom we have redemption, the forgiveness of sins.

BELIEVING GOD

Her Restoration

Together we help women who have been broken by sex trafficking to support the whole person: physical, mental, emotional, relational and spiritual.

This ministry is a blessing created to serve many. First, fashioned in my heart and then shared with many others to join in partnership to be His servants. Together, we can reach many shattered lives with the hope and love of Jesus, using our time, talents, and treasure to support each survivor as a whole person!

As we pray and work for all that is needed to operate a successful restorative care home - it feels like too steep a mountain without God's provision. I am so thankful He continues to bring people together to work toward serving His lost children. Yet, there is still so much to be done!

Please join us to continue to do what is needed and ask God to go above and beyond that to truly redeem and restore women's lives. We believe God will do it all because of His amazing great love!

Thank you!
