Things that should get you to take notice:

- Any vulnerabilities: under age 25, abused, broken family, financial distress, addiction
- Won't look you in the eye
- Talks about stripping, porn, or modeling
- Less appropriately dress than before
- Sexualized behavior or talks about wild parties
- Signs of gang affiliation
- Withdrawn, depressed, distracted, isolating
- Brags about making or having lots of money
- Multiple cell phones
- Suddenly wears expensive clothing/jewelry
- Older boyfriend or new friends with different lifestyle
- Fearful of police
