

Fall Gala

We are gearing up for our third annual FALL GALA on **Thursday, October 24 at Marriott West in Pewaukee.** This is our premier gala to raise funds to redeem and restore women's lives in Waukesha County. ONLY because of support from partners like you- we are able to walk alongside women recovering from the traumas of exploitation and trafficking!

We are so excited to share with you our plans to impact our communities and families! Together with you- we are helping families become savvy in protecting others, teaching community members of opportunities to speak up for others, and serve more women through our mentorship and restorative care home!

Join us for a fun and inspiring night with excellent food, great live music, an empowering keynote speaker, and stories of hope! You can be a part of saving women's lives and bring positive impact in our community!
