

2024 ANNUAL REPORT

Together, we truly make a difference every single day. Witnessing the healing process unfold, layer by layer, person by person. Countless hands, prayers, and donations all contribute to the beauty of this work, transforming shattered women into shining, empowered individuals!

The days are both messy and beautiful with the women. Healing is hard. The most wonderful moments are witnessing God's miraculous work in their hearts. Together, we embark on this journey with Jesus. Restoring lives is possible through His grace, ability, and unconditional love.

*But by the grace of God I am what I am, and his grace to me was not without effect. No, I worked harder than all of them—yet not I, but **the grace of God that was with me.** 1 Corinthians 15:10*

MISSION

Together– we love, restore, and support women who have been sexually exploited and trafficked, supporting the whole person: physically, mentally, relationally, emotionally, and spiritually. So each can heal, reclaim their identities, and discover and fulfill their God-given purpose on a journey of restoration.

VISION

Create and **foster a culture** of love, restoration, and support where all individuals can grow in their God-given purpose.

By exposing the truths of evil and trauma, educating and collaborating with individuals and organizations, and offering safe space where, together, all are invited in a journey of healing and redemption.
